CAUTION.

NOTICES TO MARINERS.

MONTHLY SUMMARIES containing all the Notices to Mariners received at the Board of Trade, respecting alterations in Lights, Buoys, or Beacons, newly-discovered dangers, or alterations in, or additions to, the Admiralty Charts, are published by the Board of Trade on the 1st of each month for Foreign-going Ships, and on the 16th of each month for Home Trade and Fishing Vessels.

Supplementary Summaries containing all information received at the Board of Trade subsequently to the date of publication of the last Monthly Summary are also published on or about the 7th, 14th, 20th, and 27th of each month for Foreign-going Ships, and on or about the 23rd, 1st and 8th of each month for Home Trade and Fishing Vessels.

Copies of these Summaries are supplied at all the Mercantile Marine Offices in the United Kingdom to Masters of Foreign-going Ships, and at all the Custom Houses to Masters of Home Trade and Fishing Vessels, free of charge.

Copies of the Monthly Summary for Foreign-going Ships are also sent to the Government Shipping Offices at Colonial and Indian Ports, and to the British Consulate at Foreign Ports, for the inspection of Mariners who may not be in possession of the latest Summary.

In addition to the above, Navigational Warnings of an urgent nature are broadcast by wireless and telegraphed by the Board of Trade to Custom Houses, Pilotage and Harbour Authorities and others, throughout Great Britain and Northern Ireland.

A Special Supplement to the Notices to Mariners containing a list of the Wireless Stations from which, and the times at which, the Warnings are broadcast and also the list of the addresses at the various ports at which these Warnings are available for the information of Masters, is published by the Board of Trade. Copies may be obtained by Masters free of charge at any Mercantile Marine Office or Custom House.

Masters are recommended to ascertain at the latest possible moment before sailing whether any dangers affecting their route have been notified and to arrange wherever possible for the W.T. operators to listen in at the hour prior to the time of sailing at which this information is broadcast.

If these Notices are disregarded by Masters, Owners, and Agents of ships, the responsibility rests with the parties who neglect to make use of information gratuitously offered and abundantly circulated.

Notice to Shipowners and Agents.

INCORRECT CHARTS.

The attention of the Board of Trade has frequently been called to cases in which British vessels have been endangered or wrecked through Masters attempting to navigate them by means of antiquated or otherwise defective Charts.

The Board of Trade desire, therefore, to direct the especial attention of Shipowners and their Servants and Agents to the necessity of seeing that the Charts taken or sent on board their Ships are corrected down to the time of sailing. Neglect to supply a Ship with proper Charts will be brought prominently before the Court of Inquiry in the event of a wreck occurring from that cause.
